

Family Giving

INVEST IN GIRLS. *Change the World.*

WHAT IS FAMILY GIVING?

Family Giving is a way for Girl Scout families and members to invest in local girls by financially supporting programs, camps, volunteer support, and financial assistance to girls in need. Donations to this campaign **directly impact Girl Scouts River Valleys so we can continue to keep Girl Scouts available to all girls.**

YOUR DONATION MAKES A DIFFERENCE

Every girl deserves the chance to be a Girl Scout, but not all families can afford the cost to participate. Your donation helps make Girl Scouting available to all girls!

\$25 Means one girl can bring her vision of a better world to life with a year membership to join Girl Scouts.

\$55 Provides one girl a Girl Scout Starter Kit including a uniform and books to prepare for a new year.

\$100 Sends a girl to the aMAZE! Journey Jumpstart Weekend to explore the maze of friendships and discover how to create peace with other Cadettes.

\$250 Helps five girls connect with nature and one another at a Girl Scout Camp overnight.

HELP US REACH OUR GOAL

Reaching our Family Giving goal benefits River Valleys' girls by providing camp equipment and facility up-keep for troops, fun and engaging volunteer trainings, campership grants, and so much more.

Giving is easy! You can make a donation today through your Family Giving Coordinator or make a gift online anytime at gsrv.gs/Giving-a-gift.
To benefit local girls, designate your service unit number when making a contribution.
