

Hello,

We're Ambassador Girl Scouts from Troop 53562: Emily Nelson, Maddie Lutterman, Lili Pickert, and Deepta Jasthi. Recently, we completed the Senior Girl Scout Journeys "Girlltopia" and "Sow What". For our Take Action project, we made 2 videos for young Girl Scout Troops that help them with earning their badges.

The first video we made is for the Girlltopia Journey - this video complements the Junior Staying Fit Badge.

The second video we made is for the Sow What Journey - this video complements the Junior Simple Meals Badge.

We chose to make these videos for Junior level Girl Scouts because we wanted to bring awareness to topics like body positivity and fitness, and we thought that these are important issues for young girls to learn about.

Thanks for taking time to watch the videos!

Sincerely,

Troop 53562
